# Wager From Your Smart Phone for Free!!

## FastBet Mobile at MT State Fair Meet

## What is Fastbet mobile?

**FastBet Mobile** is on-track account wagering. You create an account with the tote company using your phone or other mobile device, sign in using your device's web browser, fund your account with a teller, and then bet the races from your seat using your device. No more stairs, no more lines. Bet just today or bet all meet long. Cash out with a teller at the end of the day or any other day of the meet. Your account is good for this entire meet and subsequent years as well.

## Important Information

On-track WIFI access point: "Fast Bet Mobile"  (You must use this wifi)

FastBet Mobile URL: https://gft.fastbetmobile.com – be sure to specify the https

Help On-track: At the program stand

Online guide: https://greatfallsturfclub.org/fbmguide.pdf

## Before You Begin!

**IMPORTANT:** ***The account creation process requires a verification step involving an email. You must be able to access one of your email accounts from your mobile device.*** **NOTE:** ***Hotmail and possibly other Microsoft mails never seem to receive the confirmation email. Gmail and other seem to work much better.***

## Easy To Sign Up

1. Open your mobile device's wireless network settings
2. Connect to the **Fast Bet Mobile** wifi (there is no password). This wifi MUST be used.
3. Go to **https://gft.fastbetmobile.com** or use the QR code.(We recommend using Google Chrome as your browser)
4. Enter your existing account information **or** Create a Free Account (see below)

## How To Create A Free Account

1. Enter registration information (email address and birth date are required)
2. A verification code will be sent to your email
3. Check your email for the code (copy the code) and tap the link
4. Paste the verification code as indicated and hit **Confirm**
5. Create a four-digit PIN and press **Finish**

**IMPORTANT!** Remember your password and PIN to use each time you visit the track! If you have forgotten your account number or/and PIN ask for help at the program stand.
